- c. The Tennis Committee and the Sports Department will inform all participants in advance about the check in date for registration to the doubles and mixed doubles competitions.

## 5. Draws and seeds:

- a. The draws will take place on a date and at a place to be specified later. The draw ceremony is open to Heads of Delegations only. Information about player's results to be used for seeding purposes must be submitted no later than **30/06/2022** and no information received after this date will be considered.
- b. Each head of delegation must present lists of up to 6 players (8 in grand masters) to be included in the draws.
- c. Seeding in the Open and Junior events will be based on the most recent ATP, WTA and ITF Junior rankings respectively, then on all other available information provided.
- d. Once the seeds have been determined in Open and Junior events, seeded players from the same country will be placed as follows: The first two in separate quarters, the next four in separate eighths. Unseeded players will be drawn into the remaining spots. There will not be more than 50% of a team in the same half of the draw where there are an even number of players and not more than 67% of a team in the same half of the draw where there are an uneven number of players. Wherever possible, a player will not be drawn to play against a fellow countryman in the first round.
- e. In the Masters Event there will be 2 stages of the tournament. During the first stage, the players will be placed into groups according to the following criteria:
  - 1) If a given category has less or equal to 24 players - we will have a maximum of 6 pools of a maximum of 4 players in each pool. The winners & Best 2 second place in the pool will play quarter finals and Medals Matches.
  - 2) If a given category has between 25 and 32 players - we will have 8 pools of a maximum of 4 players, the winners will play Quarter Finals.
  - 3) If a given category has over 32 players to a maximum of 48 players - we will have a maximum of 12 pools of a maximum of 4 players and the winners of the groups will advance into a knock-out system.
  - 4) The distribution of players will be made in accordance with the following procedure: There will be no two players from the same country in the same pool. The national seeding list will be decided by the Nations Representative. Number one seeds from all the nations will be randomly drawn to the different pools. The mentioned above procedure will be repeated (for ranked 2, and other players) until all the players are drawn into the pools.
  - 5) To determine the winner of the pool the following procedure to be used:
    - a) number of matches won.
    - b) if two players are tied - a head-to-head result will determine the winner
    - c) if more than two players are tied - the % of games won will determine the winner (or in case it determines the loser and other two players are tied - the winner of head-to-head match of the two winning players will determine the group winner).
    - d) randomly drawn.
  - 6) To compare the winners of the groups:
    - a) Percentage of matches won.
    - b) Percentage of games won.
    - c) Randomly drawn.
  - 7) For the knock-out stage the following procedure will be followed: The draw for the know-out stage will be made as following: If there is more than 1 player of the same nation in the knockout stage - the players will be drawn into different halves or if more than 2 players - into different quarters of the draw. The seeding for the knock-out stage will be decided by the best to worst Ratio of the winners of the pools.

## 6. System of competition

- a. **Men's and Women's open (Singles)**

The main draw will comprise of 24 players as follows:  
8 seeded players using ATP ranking or other information available, followed by national rankings giving advantage to countries with a fewer number of players already in the main draw list will advance to the knock-out stage.  
round robin stage: Should there be 24 or fewer players entered in the round robin stage, we will have a maximum of 12 pools of 3 players (less pools may result in up to maximum of 4 players in a pool). A double knockout system (feed-in tournament) will be in effect up to and including the main draw semi-final losers. The finalists of the feed-in tournament will be the bronze medallist.
- b. **Juniors (Singles)**

The main draw will consist of up to 128 players entered. A double knockout system (feed-in tournament) will be in effect up to and inclusive of the main draw semi-final losers. The winner of the feed-in tournament will be the bronze medallist.

**Note: Singles withdrawals/ substitutions:** If a player withdraws or is withdrawn by the head of the delegation after the draw has been finalized, no substitution will be allowed except if the player is injured or ill. In this case the head of delegation will be permitted to enter a substitute provided that the tournament has not yet commenced.
- c. **Match formats**

**Gold draw**  
Groups Stage:  
Open and Juniors: - 2 tie break sets + match tiebreak until 10 points.  
Masters: One pro-set up to 8 games (8:8 tie break).

Knock-out Stage:

Open and Juniors: Best of 3 tie break sets

Masters – 2 tie break sets + 10 deciding tiebreak.

**Bronze draw**

Up to semi-finals inclusive:

Open & Juniors - 2 tie break sets + 10 deciding tiebreak.

Bronze Medal Match: same as gold draw

**c. Doubles and Mixed Doubles Sign-in**

A maximum of 6 players per country may be entered into the double's events.

A maximum of 6 pairs per country may be entered into the mixed doubles events.

In masters, each country may enter a maximum of three pairs per event. They do not have to be players entered into the singles.

The Tennis Committee and the Sports Department will inform all participants in advance about the check-in date for registration to the doubles and mixed double competitions.

Clarification: Doubles and mixed doubles teams can comprise players from different countries when a player is unable to find a partner from his own country. If there are an uneven number of players from one country, the better players must pair while the last player will be permitted to pair with a player from another country.

**Note: Double's withdrawals/substitutions**

If, after the double's draws have been finalized, but before the doubles tournaments has commenced, one player from a team withdraws, then the remaining player is allowed to pair with someone else. If a team withdraws, no substitution will be allowed.

If a player withdraws after the double's tournament has commenced, then that team will be defaulted.

**Match formats**

Open & Juniors - 2 tie break sets (using no-ad scoring system) + 10 deciding tiebreak.

All Masters doubles matches will be played as one pro-set to 8 games (8:8 tiebreak)

**7. Administrative error**

Players/teams who have been left out of the draw due to administrative error will be drawn to replace a bye. If no bye exists in the draw, a pre first round match will be drawn against a non-seeded player/team from a different country.

**8. Officiating**

- a. The Tennis Committee will appoint the referee one year prior to the 21st Maccabiah. The referee, in consultation with the Tennis Committee, will appoint three (3) assistant referees.
- b. These four (4) referees will appoint chair and roving umpires as will be required.

**9. General**

- a. These regulations are but one part of the complete 21st Maccabiah regulations and must be read along with the instructions found in the Maccabiah Basic Regulations.
- a. In the event of a discrepancy between the regulations written here and those appearing in the Maccabiah Basic Regulations, the regulations written here will prevail, apply and be binding.
- c. Rulings not covered in any of the regulations will be resolved by a Court of Appeal comprising the referee and four heads of delegation to be appointed at the draw ceremony. A head of delegation whose country is involved in any appeal may not vote thereon. A referee and two heads of delegation will constitute a quorum. In the event of a tied vote, the referee will cast a deciding vote.
